

Appendix D: Presentations, Seminars and Grand Rounds

1. Spinal bulbar muscular atrophy in western Canada- results of a research collaboration. University of Alberta- Neuroscience Rounds, Virtual, Canada
Main Audience: Researcher
Invited?: Yes, Keynote?: Yes, Competitive?: No
Description / Contribution Value: Dr. King presented on Spinal bulbar muscular atrophy in western Canada- results of a research collaboration at the University of Alberta- Neuroscience Rounds on April 1, 2022
2. Indigenous Health and Wellness in the Digital Era. Digital Health in Cardiovascular Science- Virtual Symposium, Virtual, Canada
Main Audience: Researcher
Invited?: Yes, Keynote?: No
Description / Contribution Value: Dr. King presented at the Digital Health in Cardiovascular Science- Virtual Symposium hosted by the Cardiac Arrhythmia Network of Canada (CANet) on Feb. 16, 2022
3. *Etuaptmumk* (Two-eyed Seeing). 2022 Alaska Indigenous Research Program, Canada
Main Audience: Knowledge User
Invited?: Yes, Keynote?: Yes, Competitive?: No
Description / Contribution Value: There are many Indigenous concepts which can help frame our research, including both the process and product of research. *Etuaptmumk* (Two-eyed Seeing) helps us to interweave the Indigenous with the non-Indigenous. This can be in the context of the team (composition and functioning) as well as research philosophies and methodologies. Other relational constructs and how we operationalize them will be explored. Indigenous ways of knowing, being, and doing will be privileged.
4. Reconciliatory Research with Indigenous People. Canadian Network on Hepatitis C Webinar, Canada (2022)
Main Audience: Knowledge User
Invited?: Yes, Keynote?: No
Description / Contribution Value: Title: Reconciliatory Research with Indigenous People Indigenous people in Canada suffer a disproportionate burden of hepatitis C and its sequelae. This lecture and related reading will discuss:
 - Indigenous people in Canada and their unique status.
 - Coloniality in Canada and some of its repercussions.
 - Reconciliation and how it can inform and ground hepatitis C research.
 - Allyship as a journey.
5. (2022). Peers4wellness: Voicing The Experiences Of Indigenous Women (Cis-Gender, Trans-Gender) With Healthcare And Introducing A Historic Trauma Responsive Model of HCV/HIV Research And Care (The Oneness Bundle). DOHaD 2022 World Congress, Vancouver, Canada
Main Audience: Researcher
Invited?: No, Keynote?: No, Competitive?: Yes
Description / Contribution Value: Alexandra King, Sharon Jinkerson-Brass, Sadeem Fayed and Candice Norris presented their abstract as an oral presentation at the DOHaD 2022 World Congress
6. In the eyes of Indigenous people in Canada: exposing the underlying colonial etiology of hepatitis C and the imperative for trauma-informed care. 5th annual Alberta ECHO+ Liver Health Conference, Calgary, Canada (2022)
Main Audience: Knowledge User
Invited?: Yes, Keynote?: Yes
7. (2021). Ethical engagement in Indigenous health and wellness research in the virtual era. Alaska Indigenous

Research Program, United States
Main Audience: Researcher
Invited?: Yes, Keynote?: No

8. (2021). 2021 Health Innovation and Public Policy Conference, Saskatoon, Canada

Main Audience: Researcher

Invited?: Yes, Keynote?: No

Description / Contribution Value: Alexandra King presented at the 2021 Health Innovation and Public Policy

Conference hosted by the University of Saskatchewan College of Medicine

9. Dr. Gerald Pfeffer Dr. Kerri Schellenberg Dr. Malcolm King. (2021). Kennedy's Disease in Indigenous Populations in Canada: Results of a Research Collaboration. NMD4C-The Neuromuscular Disease Network for Canada. CPD-Accredited Webinar Series June 1, 2021, Canada

Main Audience: Researcher

Invited?: Yes, Keynote?: Yes, Competitive?: No

Description / Contribution Value: Dr. Alexandra King presented alongside Dr. Malcolm King about the Importance of community engagement and impact on Indigenous communities

10. Dr. Alexandra King. (2021). HCV in Indigenous Community (Lecture and moderator for journal club). CanHepC Mandatory Course, Canada

Main Audience: Researcher

Invited?: Yes, Keynote?: No

11. David Meharg Victor Foshion Elder Sharon Jinkerson Brass. (2021). Communities of practice: Equitable research collaborations with Indigenous Peoples. 2021 Global Alliance for Chronic Diseases (GACD)

Annual Scientific Meeting, Canada

Main Audience: Researcher

Invited?: Yes, Keynote?: No

Description / Contribution Value: Dr. Alexandra King co-lead a presentation at the GACD Annual Scientific Meeting with David Meharg

12. (2021). History + Vision of the Waniska Centre. Waniska Centre Launch Program, Saskatoon, Canada

Main Audience: Knowledge User

Invited?: Yes, Keynote?: Yes, Competitive?: No

Description / Contribution Value: Alexandra discussed the history and the vision of the Waniska Centre and how it came to be.

13. Dr. Alexandra King and Professor Malcolm King. (2021). Research with Indigenous people: Ethical considerations and community engagement. Global Health and Social Medicine departmental community conference, Harvard University (March 2021), Canada

Main Audience: Researcher

Invited?: Yes, Keynote?: No

14. (2021). National Day of Truth and Reconciliation - An Intimate Session with Dr. Alexandra King. NDRIO National

Day for Truth and Reconciliation, Canada

Main Audience: Researcher

Invited?: Yes, Keynote?: Yes, Competitive?: No

Description / Contribution Value: Dr. Alexandra King was invited as a keynote presenter to speak on her knowledge and insights with Canada's New Digital Research Infrastructure Organization on National Day of Truth and Reconciliation

15. (2021). Indigenous ways of knowing and decolonizing methodologies in Indigenous health and wellness research. Alaska Indigenous Research Program, United States
Main Audience: Researcher
Invited?: Yes, Keynote?: Yes
16. Dr. Malcolm King Ashley Secundiak Kehinde Ameteppee Elder Sharon Brass. (2021). Indigenous Research Methodologies- Photovoice Study. Kennedy's Education Day, Saskatoon, Canada
Main Audience: General Public
Invited?: Yes, Keynote?: No, Competitive?: No
Description / Contribution Value: Drs. Alexandra King will be presenting at a Kennedy's Education Day hosted by Dr. Kerri Schellenberg and the ALS Clinic
17. (2021). Structural Racism- impact on burden and equity to care. Canadian Liver Meeting, Canada
Main Audience: Researcher
Invited?: Yes, Keynote?: No
18. Invited participant for active contribution and discussion. (Cancelled due to COVID-19). (2020). Regulating Supervised Consumption Sites and Services in Canada. Best Brains Exchange (BBE): Cohosted by the Canadian Institutes of Health Research (CIHR) and Health Canada. (Cancelled due to COVID-19), Ottawa (Cancelled due to COVID-19), Canada
Main Audience: Decision Maker
Invited?: Yes, Keynote?: No
19. Dr. James Rourke. (2020). Barriers and solutions to rural health system performance to improve health equity. CAHSPR Annual Conference 2020. Advancing health equity: Identifying barriers and solutions. Panel Presentation TCU Place, Saskatoon. (Rescheduled due to Covid-19 pandemic), Saskatoon, Canada
Main Audience: Researcher
Invited?: No, Keynote?: No
20. Prestigious Invitation to speak at the WHO meeting in Geneva. (2020). WHO Meeting in Geneva: Invited Speaker (June 29-30, 2020). "Defining a WHO process to validate elimination of viral hepatitis as a public threat" Tentative topic: Indigenous Health on HepC. WHO: Global HIV, Hepatitis and STI Programmes, Geneva, Switzerland
Main Audience: Decision Maker
Invited?: Yes, Keynote?: Yes
21. Fayed S, Norris C, Brass S, Scotton E, Howard T, King M, King A. (2020). Peers4Wellness: Indigenous approaches to wellness support and research for Indigenous women with HIV and HCV in British Columbia. Indigenous Health Conference: Sheraton on the Falls Hotel, Niagara Falls Canada. (Rescheduled due to Covid-19 pandemic), Niagara Falls, Canada
Main Audience: Researcher
Invited?: No, Keynote?: No
22. (2020). Indigenous Ceremony as a Reconciliatory Approach to Knowledge Learning: Beyond Science Shop and Community-Based Health Research. 9th Living Knowledge Conference 2020 in Groningen, The Netherlands. (Rescheduled due to Covid-19 pandemic), Groningen, Netherlands
Main Audience: Knowledge User
Invited?: No, Keynote?: No
23. This Learning Circle session is scheduled for every third Thursday. Alexandra is the lead for these sessions. (2020-present). Lead for Learning Circle: Indigenous Research Learning Circle. Pewaseskwan (the Indigenous wellness Research Group), College of Medicine, University of Saskatchewan., Saskatoon,

Canada

Main Audience: Researcher

Invited?: No, Keynote?: No

24. Ametepee K, Bruneau J, Høj S, Dunn K, Smith W, King M, Kim J, Ndubuka N, Opondo J, Sinclair E, Hennie E, Iyer S, Quail J, Mecredi J, King A. (2020). The Canadian Network on Hepatitis C Virtual Cascade of Care Cohort (VCCC) Feasibility Study - Saskatchewan Component. 9TH CANADIAN SYMPOSIUM ON HEPATITIS C VIRUS (CSHCV) 2020, Montreal, Canada

Main Audience: Researcher

Invited?: No, Keynote?: No

25. (2020). Indigenous-centred approaches to harm reduction, HIV and hepatitis C: Part 1. CATIE Webinar: To explore Indigenous-centred and reconciliatory harm reduction approaches, Saskatoon, Canada

Main Audience: Knowledge User

Invited?: Yes, Keynote?: No

26. Dr. King A. (2020). Webinar on Covid-19 testing; Hepatitis C elimination: Covid-19 testing and its intersections with HIV and hepatitis C. CATIE Webinars (virtual medium), Canada

Main Audience: Knowledge User

Invited?: Yes, Keynote?: No

27. K Ametepee, J Bruneau, S Høj, S Iyer, K Dunn, W Smith, E Sinclair, E Hennie, M King, J Kim, N Ndubuka, J Opondo, J Quali, J Mecredi, A King. (2020). Virtual Cascade of Care Cohort (VCCC) Feasibility Study – SK Component. Indigenous Health Conference: Sheraton on the Falls Hotel, Niagara Falls Canada. (Rescheduled due to Covid-19 pandemic), Niagara Falls, Canada

Main Audience: Researcher

Invited?: No, Keynote?: No

28. (2020). The Canadian Network on Hepatitis C (CanHepC) Virtual Cascade of Care Cohort (VCCC) Feasibility Study – SK Component. CAHR 2020: Quebec City, Quebec. (Virtual Conference due to Covid-19 pandemic), Virtual Conference, Canada

Main Audience: Researcher

Invited?: No, Keynote?: No

29. Dr. Malcolm King; Sharon Jinkerson. (2020). Two-Eyed Seeing Workshop. 2020 Alaska Indigenous Research Program, Canada

Main Audience: Knowledge User

Invited?: Yes, Keynote?: No

Description / Contribution Value: Alexandra King presented at the 2020 Alaska Indigenous Research Program

30. (2020). A Principled Approach to Research Conducted with Inuit, Métis and First Nations People: Promoting engagement of researchers with community members. Canadian Association of Research Ethics Board (CAREB): Brookstreet Hotel Ottawa, Ontario (Rescheduled due to Covid-19 pandemic), Ontario, Canada

Main Audience: Researcher

Invited?: No, Keynote?: No

31. (2020). The Butterfly Project: An Indigenous Community-Based Research, Knowledge Translation Project.

CAHR 2020: Quebec City, Quebec (Virtual Conference, due to Covid-19 Pandemic), Virtual Conference, Canada

Main Audience: Researcher
Invited?: No, Keynote?: No

32. Dr. Alexandra King & Professor Malcolm King. (2020). International Day of the World's Indigenous People, looking at the impact of COVID on indigenous people around the world, and expanding more broadly into issues of systemic political and health inequalities that affect them. Interview with Lancet, Canada

Main Audience: Researcher
Invited?: Yes, Keynote?: No

33. Dr. Isaac Bogoch; Dr. Alexandra King; John McCullagh; Len Tooley. (2020). HIV and COVID-19: Public health, clinical and front-line community perspectives. CATIE Webinar, Saskatoon, Canada

Main Audience: Knowledge User
Invited?: Yes, Keynote?: No

34. (2020). Indigenous Community Research Partnerships: Introducing an online training resource for researchers and researchers-in-training. Canadian Public Health Association (CPHA): RBC Convention Centre, Winnipeg, MB (Rescheduled due to Covid-19 pandemic), Winnipeg, Canada

Main Audience: Researcher
Invited?: No, Keynote?: No

35. Dr. Malcolm King. (2020). Miyo-Pimâtsiwin: The Development of Indigenous Knowledge Centres with a Focus on Wellness. Indigenous Health Conference, Sheraton on the Falls Hotel, Niagara Falls. (Rescheduled due to Covid-19 pandemic), Niagara Falls, Canada

Main Audience: Researcher
Invited?: No, Keynote?: No

36. King A. (2020). Topic: TBD. Canadian Society for International Health (CSIH): National Advisory Committee of the Canadian Pavilion at the 23rd International AIDS conference (AIDS 2020:Virtual), Canada

Main Audience: Knowledge User
Invited?: Yes, Keynote?: No

37. King A, Norris C, Ermine W, Rabbitskin N, Fischer M, Roberts-Poitras A, Scotton E, Ametepee K, Howard T, King M, Haight J, Turner D, Gonzales S. (2019). Testing, reaching the undiagnosed and linkages to care: Action strategy to diagnose >95% in 5 years. 28th Annual Canadian Conference on HIV/AIDS Research (CAHR), Saskatoon, Canada

Main Audience: Knowledge User
Invited?: Yes, Keynote?: No

38. King, M. (2019). Two-eyed seeing. Alaska Indigenous Research Program Webinar, Saskatoon, SK, Canada

Main Audience: Knowledge User
Invited?: Yes, Keynote?: No

39. King A. (2019). Operationalizing theoretical constructs in health and wellness research with Indigenous people. University of Saskatchewan: Indigenous studies 350.6 research methods, Saskatoon, SK, Canada

Main Audience: Researcher
Invited?: Yes, Keynote?: No

40. King A. (2019). Invited participant in small thought-leaders meeting. McMaster's enhancing the delivery of comprehensive care for people living with HIV in Canada, Hamilton, Canada

Main Audience: Knowledge User
Invited?: Yes, Keynote?: No

41. King A, Norris C, Ermine W, Rabbitskin N, Fischer M, Roberts-Poitras A, Scotton E, Ametepee K, Howard T, King M, Haight J, Turner D, Gonzales S. (2019). A two-eyed seeing approach to wholistic healing and wellness for people with drug use experience. 28th Annual Canadian Conference on HIV/AIDS Research (CAHR), Saskatoon, Canada

Main Audience: Knowledge User
Invited?: Yes, Keynote?: No

42. King M and King A. (2019). Eshwiitood* Ni-Kwayachi-Kuskehtanan**– ready, willing, and able! A Pre-CAHR CBR skills-building workshop. 28th Annual Canadian Conference on HIV/AIDS Research (CAHR), Saskatoon, Canada

Main Audience: Knowledge User
Invited?: Yes, Keynote?: No

43. King A. (2019). Hepatitis C (HCV) in Indigenous Community in Canada (webinar). PHD researchers training webinar: Canadian Network on Hepatitis C (CanHepC), Saskatoon, SK, Canada

Main Audience: Researcher
Invited?: Yes, Keynote?: No

44. King A and King M. (2019). Indigenous wellness as a Conceptual DOHaD Framework. DOHaD, Darwin, Australia

Main Audience: Researcher
Invited?: Yes, Keynote?: No

45. King A. (2019). Patient -Oriented Research Initiative: The development of the OSSU-funded online training. Ontario SPOR Support Unit (OSSU) online training, Ottawa, Canada

Main Audience: Researcher
Invited?: Yes, Keynote?: No

46. King A, Bruneau J, Høj S, King M, Opondo J, Ndubuka N, Kim J, Quail J, Mecredi J, Smith W, Dunn K, Sinclair E, Hennie E, Ametepee K, Iyer S. (2019). The Virtual Cascade of Care Cohort study – SK Component. Research Showcase 2019 in Regina, Saskatchewan. Poster Presentation, Regina, Canada

Main Audience: Researcher
Invited?: Yes, Keynote?: No

47. Presenter: Matt Co-authors: Fischer M, Ermine W, Norris C, Rabbitskin N, Roberts-Poitras A, Scotton E, Ametepee K, Howard T, Mitchell S, King M, Haight J, Turner D, Gonzalez S, King A. (2019). A two-eyed seeing approach to wholistic healing and wellness for people with drug use experience (oral). Qualitative health Research Conference, Vancouver, Canada

Main Audience: Knowledge User
Invited?: Yes, Keynote?: No

48. King A and Thompson B. (2019). Stamsh Silhanay Llhwat - Warrior women healing (poster presentation). 8th International Symposium on Hepatitis Care in Substance Users (INHSU), Montreal, Canada

Main Audience: Knowledge User
Invited?: Yes, Keynote?: No

Description / Contribution Value: Senior Author

49. King A. (2019). Theoretical constructs to achieve health equity and wellness in HIV for Indigenous people. Simon Fraser University president's dream colloquium on HIV: From cell to society, Burnaby, BC, Canada
Main Audience: Researcher
Invited?: Yes, Keynote?: Yes
50. King A. (2019). Not without us, Halifax!. University without Walls / REACH / CAHR / CSIH: Not without us! A learning institute by and for peer researchers working on intervention research and CBR on HIV, Hep C and STBBIs, Halifax, NS, Canada
Main Audience: Knowledge User
Invited?: Yes, Keynote?: No
51. King A. (2019). Reconcili-action in research and care. Department of Pediatrics, Grand Rounds, Canada
Main Audience: Researcher
Invited?: Yes, Keynote?: No
52. King, M. (2019). Respiratory research with Indigenous people: mutually beneficial needs and approaches. Respiratory Research Centre, Saskatoon, SK, Canada
Main Audience: Knowledge User
Invited?: Yes
53. Malcolm King. (2019). An Expression of Indigenous Community-Based Research Interest: Their Vision for Health and Wellness. Northern village of île-à-la-crosse: community research conference, Saskatoon, Canada
Main Audience: Knowledge User
Invited?: Yes, Keynote?: No
54. Thompson, B. (2019). Stamsh Silhanay Lhawat: Warrior Women Healing (poster presentation). Canadian Liver Meeting, Montreal, Canada
Main Audience: Knowledge User
Invited?: Yes, Keynote?: No
Description / Contribution Value: Senior Author
55. King A. (2019). Reconcili-action in research and care. Department of Pediatrics, Grand Rounds College of Medicine, University of Saskatchewan, Saskatoon, Canada
Main Audience: Knowledge User
Invited?: Yes, Keynote?: No
56. King A, Fischer M, and Norris C. (2019). A Two-eyed Seeing Approach to Wholistic Healing and Wellness for People with Drug Use Experience. BC Support Unit Conference, BC, Canada
Main Audience: Knowledge User
Invited?: Yes, Keynote?: No
57. King A. (2019). Testing, reaching the undiagnosed and linkages to care: Action strategy to diagnose >95% in 5 years. 28th Annual Canadian Conference on HIV/AIDS Research (CAHR), Saskatoon, Canada
Main Audience: Knowledge User
Invited?: Yes, Keynote?: No
58. King A, Ametepee K, Fayed S, Thompson B. (2019). 1. A two-eyed seeing approach to wholistic healing and wellness for people with drug use experience 2. Stamsh Silhanay Lhawat: Warrior women healing 3. Peers4Wellness: Indigenous model for supportive HCV and HIV care (2019 Poster of distinction). Canadian Liver Meeting, Montreal, Canada

Main Audience: Knowledge User

Invited?: Yes, Keynote?: No

Description / Contribution Value: Senior Author

59. King A and Fayed S. (2019). Peers4Wellness: Indigenous model for supportive HCV and HIV care (poster presentation). Canadian Liver Meeting, Montreal, Canada

Main Audience: Knowledge User

Invited?: Yes, Keynote?: No

Description / Contribution Value: 2019 Poster of Distinction

60. King A, Fischer M and Norris C. (2019). A Two-eyed Seeing Approach to Wholistic Healing and Wellness for People with Drug Use Experience. BC Support Unit Conference, Canada

Main Audience: General Public

Invited?: No, Keynote?: No

61. King M, King A, Favel D, Ermine W, Rabbitskin N, Pahtayken D, Ametepee K, Sinclair R. (2019). Miyo-Pimâtsiwin: The Development of Indigenous Knowledge Centres with a focus on Wellness. Research Showcase 2019 Oral Presentation by Prof. Malcolm King, Canada

Main Audience: Researcher

Invited?: Yes, Keynote?: No

62. King A. (2019). Where are we now? Supporting alternative methods to HIV testing and Canada's 90-90-90 targets through implementation science research. Canadian Association of HIV Research (CAHR) Ancillary meeting, Saskatoon, Canada

Main Audience: Knowledge User

Invited?: Yes, Keynote?: No

Invited?: Yes, Keynote?: No

63. King A. (2019). Solstice sol ("sun") + sistere ("stand still"). Quality Assurance through Research Knowledge Sharing Day 2019, Saskatoon, SK, Canada

Main Audience: Knowledge User

Invited?: Yes, Keynote?: No

64. King A and Fayed S. (2019). Peers4Wellness: Indigenous model for supportive HCV and HIV care (oral presentation). 8th International Symposium on Hepatitis Care in Substance Users (INHSU), Montreal, Canada

Main Audience: Knowledge User

Invited?: Yes, Keynote?: No

Description / Contribution Value: Senior Author

65. (2019). CheckUp!. University of Saskatchewan - Research day, Saskatoon, SK, Canada

Main Audience: Knowledge User

Invited?: Yes, Keynote?: No

66. Fischer, M. (2019). A two-eyed seeing approach to wholistic healing and wellness for people with drug use experience (oral presentation). 8th International Symposium on Hepatitis Care in Substance Users (INHSU), Montreal, Canada

Main Audience: Knowledge User

Invited?: Yes, Keynote?: No

Description / Contribution Value: Senior Author

67. Presenter: Fischer M Co-authors: Fischer M, Ermine W, Norris C, Rabbitskin N, Roberts-Poitras A, Scotton E, Ametepee K, Howard T, Mitchell S, King M, Haight J, Turner D, Gonzalez S, King A. (2019). A

two-eyed seeing approach to wholistic healing and wellness for people with drug use experience. 25th Qualitative health research conference, Vancouver, Canada
Main Audience: Knowledge User
Invited?: Yes, Keynote?: No

68. King, M. (2019). Working with Indigenous populations to raise awareness. Heart & Stroke Foundation Heart Failure Council Meeting, Toronto, Canada
Main Audience: Knowledge User
Invited?: Yes, Keynote?: No

69. (2019). Community based chronic disease models that incorporate traditional knowledge and cultural sensitivity that can be applied in rural and remote setting. University without Walls / REACH / CAHR / CSIH: Not without us! A learning institute by and for peer researchers working on intervention research and CBR on HIV, Hep C and STBBIs, Halifax, NS, Canada
Main Audience: Researcher
Invited?: Yes, Keynote?: No
Description / Contribution Value: Invited presenter and workshop participant

70. (2018). Researching ourselves back to life ... and wellness; A "Two-eyed Seeing" approach to Indigenous health and wellness research. MB HIV Collective Impact Network Symposium, Winnipeg, Canada
Main Audience: Researcher
Invited?: Yes, Keynote?: Yes

71. (2018). An international collaboration on Indigenous health and wellness outcomes measures. Healing our spirit worldwide: The eighth gathering, Sydney, Australia
Main Audience: Researcher
Invited?: Yes, Keynote?: No
Description / Contribution Value: Panel Presentation

72. (2018). Intersections between social accountability and Indigenous health. Western Medical Schools meeting, Ontario, Canada
Main Audience: Decision Maker
Invited?: Yes, Keynote?: Yes

73. (2018). Trauma-informed care ... what you need to know from an Indigenous perspective. Presentation to University of Saskatchewan faculty development, Saskatoon, Canada
Main Audience: Researcher
Invited?: Yes, Keynote?: No

74. (2018). Awakening our wisdom: Land-based healing in a community of Indigenous women. CAHR Conference 2018, Vancouver, Canada
Main Audience: Knowledge User
Invited?: Yes, Keynote?: No

75. (2018). Perspectives on "Two-eyed seeing", weaving Indigenous and western ways of conducting HIV research. CAHR Conference 2018, Vancouver, Canada
Main Audience: Researcher
Invited?: Yes, Keynote?: No

76. King M. (2018). Further perspectives on Indigenous suicide and wellness research in Canada. Global Indigenous suicide prevention, mental health & wellbeing research symposium, Wellington, New Zealand
Main Audience: Researcher

Invited?: Yes, Keynote?: No

77. (2018). Community based chronic disease models that incorporate traditional knowledge and cultural sensitivity that can be applied in rural and remote settings. CIHR / Government of Northwest Territories / Institute for Circumpolar Health Research: Best Brains Exchange, Yellowknife, NT, Canada

Main Audience: Knowledge User

Invited?: Yes, Keynote?: No

78. (2018). Conducting research with Indigenous Peoples. Ottawa Hospital Department of medicine research day, Ottawa, Canada

Main Audience: Researcher

Invited?: Yes, Keynote?: No

79. (2018). The role of research in improving Indigenous health outcomes; Plenary session presenter: Access to medical care. Gathering for Miyo Mahcihowin (physical, mental, emotional and spiritual well-being), Saskatoon, Canada

Main Audience: General Public

Invited?: Yes, Keynote?: No

80. (2018). Effective viral hepatitis control strategies for Indigenous peoples in Canada. Global Hepatitis Summit – Pan-American Symposium, Toronto, Canada

Main Audience: Researcher

Invited?: Yes, Keynote?: No

81. (2018). Hepatitis C – opportunities for healing. Sioux look out First Nations health authority Hepatitis C workshop, Sioux Lookout, Canada

Main Audience: Knowledge User

Invited?: Yes, Keynote?: No

82. (2018). Researching ourselves back to life... and wellness. SHRF/CAHS: Indigenous Health: The mysteries and myths of the HIV crisis in Saskatchewan, Saskatoon, Canada

Main Audience: Researcher

Invited?: Yes, Keynote?: No

83. (2018). CheckUp: Time to focus on and learn from Inuit; CTN 301-2: DRUM 2 First Nation and Métis communities working in partnership to develop shared care models for HIV and other STBBI. CTN annual meeting, Vancouver, Canada

Main Audience: Researcher

Invited?: Yes, Keynote?: No

84. King M. (2018). Indigen-eyes Canada: measuring and improving our wellness. International satellite on Indigenous wellbeing indicators, Wellington, New Zealand

Main Audience: Researcher

Invited?: Yes, Keynote?: No, Competitive?: No

85. (2018). HCV eradication ... the opioid crisis ... how do Indigenous people fit in, and what about reconciliation?. Ontario Hepatitis C team skills building workshop, Toronto, Canada

Main Audience: Knowledge User

Invited?: Yes, Keynote?: Yes

86. (2018). HCV: Bringing care to patients in rural and remote settings; Peers4Wellness: Indigenous model for supportive HCV care; Rural/remote HCV care. 7th Canadian Symposium on HCV (CanHepC), Toronto,

Canada

Main Audience: Researcher
Invited?: Yes, Keynote?: No

87. (2018). Envisioning a reconciliatory approach to harm reduction within the context of HCV care. CATIE Programming Dialogue pre-webinar, Saskatoon, Canada

Main Audience: Researcher
Invited?: Yes, Keynote?: No

88. (2018). Aging with wisdom: You cannot kill us! Where do our voices go? Decolonizing services and supports for Indigenous women aging and living with HIV. CAHR Conference 2018, Vancouver, Canada

Main Audience: Researcher
Invited?: Yes, Keynote?: No

89. Dodd Z, Tanveer F. (2018). What is required to achieve elimination of hepatitis C in Canada by 2030 in priority populations; Indigenous people and HCV elimination. Canadian Liver Meeting, Toronto, Canada

Main Audience: Researcher
Invited?: Yes, Keynote?: Yes, Competitive?: No

90. (2018). Indigenous health and wellness measurement ... considerations from Canada. Australian National University: Inaugural Indigenous health and medicine Symposium, Canberra, Australia

Main Audience: Researcher
Invited?: Yes, Keynote?: Yes

91. (2018). Two-eyed seeing approaches to health research: Reconciliation in research to improve Indigenous health and achieve wellness. CAHR-CFID personal development workshop for viral researchers, Banff, Canada

Main Audience: Researcher
Invited?: Yes, Keynote?: No

92. (2018). In the eyes of Indigenous people in Canada: exposing the underlying colonial etiology of drug use and STBBIs. Canadian Research Initiative in Substance Misuse – 2nd annual prairie node gathering, Saskatoon, Canada

Main Audience: Knowledge User
Invited?: Yes, Keynote?: Yes

93. (2018). Community engagement at First Nations health Centres. DRUM - community visits, Edmonton, Slave Lake, Sucker Creek, Alberta, Canada

Main Audience: Knowledge User
Invited?: Yes, Keynote?: No

94. (2018). Peers4Wellness: Indigenous, peer-led, wellness support for HIV and HCV care. CAHR Conference

2018, Vancouver, Canada
Main Audience: Researcher
Invited?: Yes, Keynote?: No

95. (2018). A collaboration on Indigenous health and wellness outcomes measures. Healing our spirit worldwide: The eighth gathering, Sydney, Australia

Main Audience: Researcher
Invited?: Yes, Keynote?: No

96. King M. (2018). Two First Nations' perspectives on Indigenous people, suicide and wellness in Canada. Global Indigenous suicide prevention, mental health & wellbeing research symposium, Wellington, New Zealand

Main Audience: Researcher

Invited?: Yes, Keynote?: Yes

97. (2018). Indigenous data sovereignty. Second World Indigenous Peoples' conference on suicide prevention, Perth, Australia

Main Audience: Researcher

Invited?: Yes, Keynote?: No
